1. Ted, I'm going to walk where you walk because you'll take Me there. You'll take Me there Ted. You'll take Me with you wherever you go, for Ted, I order your steps and you listen—you choose to listen. You listen, and you learn, and you listen and you learn, and Ted, it's time to teach and tread your way beyond your limits, to all My earth, all My earth, all My earth, in love, in power, in purity, and Ted, in compassion, lifting, learning My people of Me, in love, in humility, in compassion. Ted, in suffering, in joy.
2. Ted, walk, run, go forth in My power for I am with you and I propel you into My design for you, for you have chosen My design rather than your design. You've let Me break you and now I am passing you around to My people—My bread and wine in you—with you—to serve Me to My people who are hungry and abused, neglected and in poverty, poverty of spirit, poverty of life, poverty of thinking, poverty of spirit.
3. Ted, My spirit, take them My spirit, My life, and My Cross, My death, My resurrection, and Ted, eternal life, eternal abundant life.
4. You Ted, have learned at My knee. You have leaned, you have leaned on Me, and Ted, now I lean on you. I lean on you in My love and My over-abundance and the world will see and know that I am God and provide, and I am powerful, I am power, I am that I am and I am moving, Ted I am moving.
5. Take no issue with those who take issue with you. Take no thought of hurt or misunderstanding when sincere people malign you, for Ted, they maligned Me. Ted, I fought not back, and you don't either. Your silence is of Me, and in Me, and I will speak to the listening, the nimble, the truly sincere, rather than the fleshly sincere.
6. You will speak here—again—in My power and My time, and Ted, this time you won't be alone with your cameraman with passersby wondering who you are and what you're doing. Your name, My name, your name My name, synonymous Ted, for you will only and always point people to Me. I love you. I love you Ted.
7. Your tears are of Me, are precious to Me, on your yellow tablet today. You know Me, feel Me, and you've sought Me when you felt nothing. You have valued My promises more than money. You have valued My promises to you more than gold, status, reputation, and scorn. And Ted, My honor is now upon you.
8. I say all these things to you Ted, and to all who will read and listen and hear and thus know—as I raise you, as I raise you, as I resurrect you into My design, letting people know even before I do it, that I want to resurrect them into My design for them.

9. All this is about Me, not you, and those who think this is about you, and you are writing words of puffery, don't trust Me, and don't trust Me in them, to affirm My own words to them.

10. They must realize that anytime and **every time they decide they know—they close Me off and hear not from Me** but hear from their own thinker/mind. Those open to Me will hear Me affirm, confirm, and discernment will increase to those who seek it, seek discernment, seek Me.

11. Now go Ted and do what is in your heart for it is of Me—for you gave Me your heart and I took it and received it. I held it in My hands and fashioned it and placed it back in you, in My design, fashioned uniquely for Me, from Me, for My big world, for Mine—for my lambs, for My earthly-laden lambs who want to walk in two worlds at once—My world and My earth—with the skill that pierces asunder the thoughts and intents of one's heart.

12. Skill, discernment, gifts, abilities, talents, favor—Ted, increase them all in My people and raise the standard of My standard-bearers to walk and talk and live in integrity—not with integrity as a baggage piece, to reference and show and give lip service to, but to live in integrity, and Ted—My Spirit.

13. Oh joy, oh peace, oh tranquility, oh power, power, power, networks—not islands, known—not isolation, friendships—not loneliness, abundance—not poverty, freedom—not fear, oh, I offer so much. A giver I am and a giver I love to be. [I look every day, every hour, every moment, for those I can give Myself to](#)—oh, exchangers of hearts Ted. When they give Me their heart I give them My heart. And oh Ted, so sweet, so sweet, so utterly deeply completely fulfilling.

14. My emotion—you want My emotion—you pray and seek and ask about My emotion. Yes, answers come and I emotion you to emotion My people, to re-alive them in their spirit/soul so their thinker/minds will absorb who I am and what I am now doing, and what I want to do with them, in them, through them. Oh Ted, sweet, sweet, sweet, powerful, global, big, big, big, big in My sight, enormously incomprehensible in their sight. Freedom, freedom, freedom.

15. Networks—come forth this day—15 July 2003, Ted, come forth, come forth in majesty, come forth. And Ted, I speak not to hear Myself talk, as some do, I speak for love, for power, for results, for freedom, for Mine, for Ted—I died for them and they must know and comprehend My life, My who I am, and that I am. I was, I am and I always will be.

16. Take your rod of joy and go forth discerning Me in Mine, and all I have told you and all I give you, and all I give them, for you, and for them, all for Me and Mine in My big world of adventure, excitement and fulfillment.

17. Poverty cease in you this moment, this moment, this moment and never return, for you are My friend, My son, My man, My friend—and I anoint you this day for poverty-ceasing in My body.

18. Walk forth and awe not who I place you with, and near, and comes to your aid, for Ted, I propel you, they don't, I do, and they are Mine and acting upon My instructions. Me Ted, not them. Intimidated not be. Inhibited not be. Ted, comfortable in Me and with Mine, the lowliest of the low, and those who people esteem mightily. Oh Ted—Me.

19. Much responsibility, much humility, much trust, for you must trust those I bring you to hear Me, and bother not, concern not yourself with but what I tell you—heart beat with Mine, heart beat in Mine, heart beat—Mine.

20. Oh Ted, lovers be. Lovers be with Me and My body, and I will smile for smiling I am as you write this in Bartlett Square. No one knows your name, but Ted, I know your name, and Ted, all will know your name, for all you will point to Me, and Ted, launch them into My design for Me, My design for them, of Me, in Me.

21. Much joy, much peace, many seashores and lakesides and ships, retreats, advances, conferences, technological marvels—all through Me, of Me, as you freedom My people and launch Me in them, to hear and know Me in My tenderness, tender love, and obedience-fulfilling power.

22. I always bring the power to obey My voice—it's embraced or ignored, it's received or rejected, it's active and alive, or goes wanting. And Ted, I am moving and I am moving and I am moving in My people like never before.

23. Tell those who think I'm not doing a new thing to watch Me. I will confirm My words with signs following—in the lowliest of the low to the captains and generals in halls of power and orthodoxy, even orthodoxy of orthodoxy.

24. I come, I smile, I laugh and emote and I emotion you this day to emotion My people in life and freedom—under the hand and control of no one else but Me.

25. Freedom, maturity, splendor, majesty, power, and Ted,
Miracles at the hand of the common man.
Miracles at the hand of the common woman—leadership Ted.
Miracles at the hand of the common girl.
Miracles at the hand of the common boy.

26. Oh Ted, so much more—communication abilities that so far transcend the bickering and conflict-making, arm-raising, shouting of My body with My family. Transcendent wisdom of communication I give to all Mine who want it, and will seek Me for it.

27. I will empower them with what you want—the wisdom of Nathan confronting David—yes (1), from Me it was and shall be, to Me, of Me, for Me, from Me, through Me, to Me. Me. For Mine, for Me.

28. Will the hungry be filled? Oh Ted, and so much more, so many more, so far above, so over-arching, under girding, so permeating—nothing shall shake My Mine—who abide in Me—and eat the grapes and delicacies of My table.
29. Coffee in Italy, coffee in Tripoli, coffee and conversation of Me, with Me, with My body Ted—all obey, all okay, in Me, of Me, My obedience coming through you, and those I send you to, and those I send to you.
30. Up, up, up, go, walk, run, cease not, fear no man or other voice, you're up, you're walking, and Ted, about to run. Lead forth brigades of, and in, every country for Me. Lead them running and I will power their run, their energy from Me, their source, their Me, their Mine.
31. I love you. Tender be and awe not, stagnance cease. You're free—run, run, run, and walk in joy and releasing-power, releasing-power, freeing-power, joy-giving-power, launching-power, for Me, in Me, of Me, for Mine.
32. Corporate America will know your name for you will embrace and lead the way for My body to embrace the wisdom I have given that corporate America has embraced, but My body has ignored. Ted, what is of Me is of Me, and I am one. And Ted, embrace all of Me and My wisdom, and discernment shall preserve you, in wisdom, of wisdom, propelled by Wisdom, My Spirit, My leadership in My people—defining obedience and success and job descriptions My way and not their way—a coming separation Ted.
33. Reread the word I gave you entitled “the coming separation” (2) and trumpet it, for reminders of it need be proclaimed.
34. In Me, in Me, networks in Me—think not small My people, My hearers, My readers—networks. Open your minds to Me—and let Me be Me in your mind, and teach and proclaim in tenderness and love what I mean by all this—in your life, in your calling, in your daily activities—faithful in the small things—trustable in the big things.
35. Bring your lists before Me of your family and friends and lambs, and generations will be transformed in your simplest obediences, for no idea you have of the significance and permanent ramifications of your simplest obediences.
36. Please, please, please let Me elevate you, let Me take your hand, by the power of My precious Spirit, and lead you to My escalators of elevation and power and leadership. Will you, will you please? Please allow Me to take your hand and minister bread and wine to you, you, you oh reader/hearer—lamb of Mine—let Me minister My bread and My wine to you, in love and covenant and compassionate trust that transcends all earthly desires or offerings.
37. Oh please come to Me, directly for Me, and I will bread and wine you with the greatest joys, Me, Me, Me, I am, the great I am, the only I am, the sovereign I am, the omniscient I am, Me, Me, simply Me, transcendent Me—and you, simply you, with no heirs, no pretenses, no doctrines, no traditions, just openness of heart to who I am and

what I am doing, and what I'd love to do in you, through you, and to others, for others, for all of you, for all of us.

38. Let Me please—I have My hand out to you—I've opened My doors, I've stated that I withhold nothing from you. Come share with Me. Lovers be and hearts exchange. Oh please. Oh please hear My heart through these words My servant pens this 15th day of July in Bartlett Square. Oh please let Me give you My big adventure in My big world, for your non-adventure in your little world.

39. I offer freedom, I offer cleansing, I offer purity, I offer globalization, I offer excitement, I offer—heaven—I offer Myself—My all to you. Choose Me, choose Me, choose Me please.

40. I will come and I will serve and I will wash your feet. I will wash your feet, as well as your heart, and arise clean in newness of life you will.

41. I come, I serve, and I wash, and I make new, and I make all things new, and that includes you, if you choose Me. I will serve you, if you serve Me. And what I serve is so transcendent of your thinking. Let Me serve you My food from My table so you can fly and soar and experience My kingdom on earth, in power, in love, in majesty, in splendor, in warfare, in victory, and bringing many with you into My chambers.

42. Oh thank you for reading, for listening, for hearing, and trust Me and I will trust you. Thank you, thank you, thank you.

43. Delay not, time is short, today is the day.
I offer, I come, I withhold nothing of Myself or My kingdom.
All that I have—is thine.

44. Come. Come. Please come.
Please come. Please, please come.
I thank you. I thank you. I thank you.
Please come, please, please.
I thank you.
